

School is out and it's finally time to celebrate the summer weather! Be sure to get outside and enjoy the sun when it is out!

Why do we even have summer vacation? The story generally goes that children in the 1800's took the summers off to help their parents on the farm. They really needed to help their parents in the spring and fall. It is the schools that were in the denser cities that were open year round. School attendance wasn't mandatory back then, and so in the summer when it got hotter, attendance fell. This is when they started changing the rules about schools being open in the summer. Kids and their families can now enjoy many things – including vacations, summer school, or just a few months off!

This summer, there are plenty of activities around Marshfield that are free and family friendly, including activities at the Everett Roehl Marshfield Public Library. This year the theme is A Universe of Stories. You can have the opportunity to build a rocket and travel the Planetarium!

There is also Movies in the Park. June 14th at the Wenzel Family Plaza Captain Marvel will show. July 26th at Downtown Marshfield (300-400 block) Elf will show. August 16th at North Ridge Church, The Lego Movie will show. They are all free to attend, and the movies start at dusk. Bring a blanket or lawn chair!

Congratulations the winners of the St Patrick's Contest winners! Kynden M. guessed 430 out of 450, Kyle B. guessed 436 out of 451 and Reid J. guessed 300 out of 418. Thank you everyone who participated!

Woody, Buzz Lightyear and the rest of the gang embark on a road trip with Bonnie and a new toy named Forky. The adventurous journey turns into an unexpected reunion as Woody's slight detour leads him to his long-lost friend Bo Peep. As Woody and Bo discuss the old days, they soon start to realize that they're worlds apart when it comes to what they want from life as a toy.
