**Your local  
community bank,  
Since 1908!**

## Message from the President

The first half of 2019 has been an exciting year for Partners Bank. When Marty Reinhart, our CEO, retired in May, I became the CEO/President. Marty will remain an integral member of the bank as he will continue to serve on the Board of Directors.

The Bank and our employees have been working hard in order to give back to our communities we serve by providing donations, scholarships at our local high schools and volunteering at different events. We continue to make loans to help our local businesses, so they can thrive and help our communities grow. We look forward to seeing what the rest of 2019 will bring us.

**Jeffery J. Lappe**

## What's New

We would like to congratulate Marty Reinhart on his recent retirement from Partners Bank. His banking career of over 40 years spans from his start as a consumer loan officer at a suburban bank in Omaha, Nebraska, to finishing his career as CEO of Partners Bank, Marshfield. Marty and his family came to Marshfield in 1985. After serving in a number of different capacities in the banking industry, he took over the leadership of Heritage Bank in 2010. While here, he was instrumental in completing a merger between Heritage Bank and Stratford State Bank, creating Partners Bank. Marty has been very active in our community as well as a number of professional organizations. We know that they, as well as our entire staff, wish him many happy retirement years and will miss his leadership, knowledge and friendship. Congratulations, Marty!

# Community Support

Recently, four local high school graduates were awarded with scholarships for \$750 each.

We are committed to encouraging educational opportunities for young people and believe in the importance of supporting our local communities through the support of students seeking higher education.

A big thank you to Hiller's True Value Hardware and the many wonderful volunteers who went out to the communities of Marshfield, Spencer, Stratford, Rozellville, Hewitt, Auburndale and Pittsville to distribute over 15,000 American flags throughout each of the neighborhoods to celebrate the Fourth of July!

We are proud to support such a great patriotic event!

Marshfield Dairy Queen and Children's Miracle Network Hospitals celebrated Miracle Treat Day on July 25th. Our employees got to enjoy blizzards, and \$1.00 per blizzard sold was donated to the cause.

We participated in the Marshfield Dairyfest "United We Can" can sculpture contest. Over 2,300 items were collected at this event, which were donated to local food pantries, and over \$1,300 was raised.

Special thanks to the Marshfield Area United Way and the Leadership Marshfield Project Group for creating this contest!

# Community Banking Month

April is recognized by the Wisconsin Banker's Association as Community Banking Month. This gives us a great opportunity to give back to our local communities in many different ways! Independent community banks like ours are very important because when you bank locally, you are reinvesting in the community, contributing to the well-being of your neighbors and building a legacy of prosperity for our future generations.

"WOW, 15 years ago – retired President Randy Malueg invited me to join Heritage Bank as a Director and the rest, as they say, is history.

Working with former and current Directors has been a highlight of my time with Partners Bank. We are all focused with the same goal: to grow and improve the Bank. The merger between Stratford State Bank and Heritage Bank has made us a stronger bank and enables us to do more for our customers, both conveniently and efficiently.

I would like to take this opportunity to wish Marty Reinhart a happy retirement. I had the privilege of interacting, learning and advising with him as well as former president Randy Malueg and now look forward to working with Jeff Lappe in that capacity.

Thank you to our wonderful customers! We are happy to assist you with your financial needs in a safe, secure and sound environment. As a customer of our bank, you can feel confident about your hometown financial institution.

I am very proud to serve as a Director of Partners Bank."
