

# Happy Spring Junior Savers!

Did you know that April 24<sup>th</sup> is National Teach Children to Save Day?  
In honor of that day, we have a guide below to help you learn  
a new way to save your money!

## Try the 1-1-1 Method: Guide to Saving, Spending and Giving

Learn how to use your money wisely by using the 1-1-1 method.  
For example, if you receive \$9, categorize your money in these ways:

**Save \$3** in your piggy bank or Junior Savers Savings Account

**Spend \$3** on something you have been wanting

**Give \$3** to a worthy cause or a gift for someone special in your family

With this method, you will learn the importance of saving  
money and learning financial discipline in no time!  
Watch your money grow right before your eyes!

Your artwork will be displayed for all to see at the bank!
