♪ NOTES FROM DONNA ♪

Hello Everyone!

I'm so glad we are getting back to normal....or maybe it's the new normal. This week we were able to go to one of my granddaughter's pinning ceremony for nursing. It was the first in person allowed since Covid which the students experienced every day at clinicals. What an accomplishment for these young people!

I was also able to spend a week in Arizona with my sister & husband in February. We made it a week long birthday celebration!

I have a very nice group going to Omaha in April. I have 2 rooms left if you are still interested!

JUNE IS DAIRY MONTH!

The Olson family will be celebrating by hosting the Greenwood Dairy Breakfast on their farm on Sunday, June 26, 2022

@ N10338 Owen Ave, Greenwood

There will be lots of fun for the kids and plenty of pancakes, eggs and sausage to go around. Serving begins at 7 a.m. so don't be late. Bessy here is waiting for YOU!!

It's nearly May 1, and you know what that means!

Or perhaps you don't. After all, it's been a while since May Day, or May Basket Day, was last celebrated widely. Nowadays, springtime is often associated with occasions like Mother's Day and Easter. But years ago, May Day was celebrated with nearly the same springy hoopla on the first of the month, year after year.

Here's the scoop: Back in the 19th and 20th centuries, people rang in the first of May with a particularly charming and elegant tradition. They would take flowers they had gathered at the end of April's showers, arrange them in pretty paper along with gifts and candies, and hang them on the doors of friends and neighbors as a way of welcoming them into warmer weather. I remember those days! I had friends that made it a tradition.

Try it with your grandchildren!

LUCKY WINNERS
