Hello,  
  
Fall has officially arrived and the days are getting shorter. That seems a little depressing for some but we have great things coming up for you to look forward too. Sign up early though, as most of the fall and Christmas shows are nearly sold out. And, as fast as fall has arrived, spring will be here before you can blink an eye. That's when we are going to the beautiful cities of Savannah, Charleston and Asheville. Again, don't wait too long to sign up as there has been a lot of interest in this trip already.

Happy Fall, Donna

LOVE MY HYBISCUS!

This is newly added and looks like a sell-out kind of show! This is at the old Palace Theatre in WI Dells which has been reopened, remodeled and is ready for this BIG Show!

This show is a BRAND NEW multi-million-dollar Christmas production that features flying sugar plum fairies, soaring angels, dancing elves, enchanted reindeer, Jolly Old Saint Nick, and the celebration of the birth of Christ with the area's largest living nativity! And, of course, we will have a Fantastic Christmas Feast!

Let's support the reopening of this fabulous theater with a full coach! See the enclosed brochure for more details.

#### 4 Community Theatre

Another Theatre is reopening! THE PLYMOUTH PLAYHOUSE in Plymouth MN. We used to attend Church Basement Ladies Shows and other entertainers there. Then it was closed for awhile. I don't have a lot of details but I'm sharing what I think I know! Many of you will remember Bill Kenzie, Director at the Old Log Theatre until they closed for a time. Mr. Kenzie then opened his own little theatre at another venue which we have attended several time and has also been closed. Well, Bill is a dedicated, determined Director and has found himself another venue. He will now be doing shows at The Plymouth Playhouse now called, 4 Community Theatre. His first show will be "Till Death Do Us Part " and we will be attending on **May 1st**. What a circle of events!

November is National Family Caregiver Awareness Month. Caregivers come in all sizes, shapes and ages. Children are struggling to care for aging parents, older adults are caring for spouses with mental and physical conditions and we all try to give a helping hand with care for our grandchildren. This care may be for a few days, weeks or many years. Families are the primary source of support for older adults and people with disabilities in the U.S. Many caregivers work and also provide care, experiencing conflicts between competing responsibilities. Research indicates caregiving takes a significant emotional, physical and financial toll. With nearly half of all caregivers over age 50, many are vulnerable to a decline in their own health.

Be sure to take care of yourself first. Don't feel guilty for enjoying a hobby or taking a day off to rejuvenate. Take a walk or go to lunch with a friend. Ask other family members to help out for a day or two. Remember, you can only care for others if you first take good care of yourself.

LUCKY WINNERS

I will continue to book events as they become available. I want to remind you to go to .... [www.partnersbankwi.com](http://www.partnersbankwi.com) to check on new bookings.
