Hello,

Change. I don't usually like that word and I think many of you feel the same way. But we adjust....especially when things changes for the better. Like our weather , for an example. We certainly have seen changes in the weather with record breaking temperatures and lack of snow in Wisconsin. And....We have a little change here at Partners Bank, too. I am beginning to phase into retirement. This is not a good bye letter! I plan to be around yet for a while. We have hired a new person and we have begun the training process. There is a lot to learn and I won't leave until everything is running smoothly. The first day I met Kendra, I knew she was so right for this position. She, too, loves people & travel I'll have more information about my retirement and future plans in the next newsletter. Donna

Now, let's meet Kendra Haessly.....

It's a pleasure to become a member of Partners Bank. I was born and raised in Marshfield, and this past year retired from teaching kindergarten after a total of 26 years. It was a career I thoroughly loved and enjoyed. I have four children. Jack, Olivia, Madaline, and Samuel who live in Appleton, Nashville, Chicago, and Madison.

My husband Brad and I enjoy traveling, fishing, and the outdoors.

Thank you to everyone for your warm welcome. Kendra

The Winter Dance Party at the Legacy Theatre in Wisconsin Dells definitely took us back to the days of Buddy Holly, Ritchie Valens and The Big Bopper.

We even had dancers in our group but unfortunately my pictures didn't capture much with the low lighting.

Summer is coming, and so is baseball !! Spring training is already in full swing. We have 2 games scheduled for American Family Field: May 30 with the Cubs and August 15 with the Los Angeles Dodgers! Don't forget Craig Counsell is now managing the Cubs. We'll see how he's doing!

**MYSTERY TOUR**

**JUNE 19—JUNE 21, 2024**

The Mystery trip is shaping up very well. Trust us! It's going to be a good one! The trip cost always comes down to how many meals and adventures we include. We have included A LOT!

Everyone's Irish  
On March 17th.

Anna Jarvis of Philadelphia, whose mother had organized women's groups to promote friendship and health, originated Mother's Day. On May 12, 1907, she held a memorial service at her late mother's church in Grafton, West Virginia. Within five years virtually every state was observing the day, and in 1914 U.S. President Woodrow Wilson made it a national holiday.
